Counsel, this office represents the Defendants in this matter. My clients were served with process today and provided a copy of the Complaint and the Motion for Preliminary Injunction to me. I anticipate that I will file a Notice of Appearance on their behalf in short order.

It is my understanding that the documents requested by your client from the Circuit Court and the Public Records Coordinator for Williamson County are as follows:

The following court records in the case Garramone v. Curtsinger, Case No. 22-CV-602:

Ex parte temporary order of protection

The actual ex parte order

The respondent's counter-petition

Any responses or replies relating to the petition and the counterpetition.

The Complaint and Motion for Preliminary Injunction request that these records be provided and are signed by Professor Kay. Since we know Professor Kay to be a citizen of the state of Tennessee based upon the information available on the BPR website and her long-standing tenure at Vanderbilt, we have treated the pleadings in this case as a request for the above-referenced records by a Tennessee citizen, and I have attached the records to this email. You will see redactions of home addresses, phone numbers and names of minor children to comply with the exceptions to the Public Records Act found under Tenn. Code Ann. 10-7-504(a)(16) and (t). (While it appears that the minor children were likely not alleged "victims" for purposes of this Order of Protection, we redacted their names out of an abundance of caution. If you don't agree that those redactions are permissible under the law, please let me know and we can discuss that issue.). No other materials have been redacted. Because of the de minimus nature of the production, there is no charge for the copies.

The documents attached are primarily General Sessions Court documents that are in the Circuit Court file due to an appeal. In the appeal to the Circuit Court, it is my understanding that the sole issue was award of attorneys' fees. Accordingly, there were no documents meeting the description above bearing the Circuit Court Judge's signature. I have attached a copy of the rule docket for the case for your reference.

Our provision to Professor Kay as a Tennessee citizen is not intended to be a waiver of any argument we might make in this case regarding the propriety of declining records requests from non-citizens. As you know, we have just been served with the Complaint and are evaluating our position. However, since the production of these documents, which you may certainly share with your client, resolves any immediate issue of irreparable harm, I would anticipate it will resolve the preliminary injunction issue. Please let me know whether we can reach agreement as to that issue and move forward with responding to the Complaint in an orderly fashion, or whether it will be necessary for our office to file a response to the Preliminary Injunction Motion. Given the demands on the time of our judges in the Middle District, I would hope that we can put this threshold issue aside and focus on the central issues in the litigation.

I look forward to hearing from you, and to working with you on this interesting case.

STATEMENT FOR ORDER OF PROTECTION:

Joe Curtsinger seemed to be a good friend and neighbor for a few years. He supported me when I ran for the Commissioner seat in 2020 and continued to support me in my capacity as an elected official until March/April of this year. In March, I discovered that he had been taking down campaign signs for a county commission candidate and had stacked them behind the flower box by his mailbox. He lied to me about having done it – I have pictures of where he placed the signs – this was the first interaction that gave me an idea that he was not trustworthy. Then I began looking through information on him that was available online - regarding multiple lawsuits and the one theme in all of these was that he was discovered to be lying in each one.

Next, there was a vote happening in the April meeting to approve a Kroger development. Joe was not in favor of this and expected me to vote his way. He threatened me prior to the vote and after the vote – telling me I would regret voting in favor of this development. One of his known associates, Larry Gardner, asked me to meet him for lunch on April 5, 2022. At this lunch, he told me “things will not go well for you if you vote for yes for this development, Joe will be coming for you”

In June 2022, we met in Town Hall about a noise complaint Joe had filed against the Church of Nolensville. I was trying to help him with this situation but it was definitely challenging and it was not going the way he wanted. In this same timeframe, the new zoning proposal for the town came out and Joe became incensed with the first version of this. This drove another wedge in the friendship because I thought the Planning Commission and BOC could find a way to make adjustments and make the zoning work – he did not want any of it – I think he was so angry because he was an elected official prior and has input/control when the original zoning was put in place.

On July 19, 2022, we were both attending a church event (Theology on Tap – Monks Are Real). He was very rude and hateful to me in front of fellow church members and introduced me as “the useless, no-good, government official we have here in Nolensville.” A few weeks after this was when I asked him not to contact me on my personal phone any longer. I believed that as an elected official, I had to allow him to contact me via my town phone and email. After this incident, several people let me know that he had been spreading rumors about me within our church membership and I could tell because people began behaving differently toward me.

His citizen comments at meetings were becoming increasingly angry and I began to feel very uncomfortable – a few times I had other commissioners or police officers walk me to my car after meetings.

As we entered into “election season” Joe began targeting people who had my signs in their yards – I know this because several asked me to come get the signs because they did not want to be targeted by him and his associates. He (Joe) began spending time with Tommy Dugger because he knew that Tommy had some information from October 17, 2020, that if twisted in just the right way, could be damaging to my reputation. He began sending this information to the Board and eventually to the local media (Channels 2,4,5,17 and all the newspapers). Because he was sending out incomplete and knowingly false versions of the information, I filed a lawsuit against him and the others involved. This did not stop him, it caused him to become unhinged. He showed up to one of my Q&A events and brought a stack of copies of the lawsuit and was being very aggressive with me and the other people at the event – more than one of the women told me that they were very scared/uncomfortable with his behavior and almost called the police on him during this event as they did not feel safe.

During the two weeks of early voting, he began showing up multiple times a day, videotaping me while he was there, and yelling things at me from his truck/car window. It became so bad, that I decided I could not be safe and be there during the last week of early voting. I relied on my volunteers to cover most of the day but somehow Joe knew right when I would arrive and would show up to yell things at me or videotape me then too.

He had his friend, Larry Gardner, drive by my house multiple times with the large signs of the new candidates he was supporting in the back of his truck (I do not live on a thru street – there is no reason for anyone to be driving on my street that does not live in that part of the neighborhood).

I found out from another known associate of his that he sent copies of all the edited videos, the news stories that channel 4 and 5 ran, and the lawsuit to my HR department at work – with the intent of getting me fired from my regular day job. This individual would like to remain anonymous for their protection.

On election day, he drove by me at one of the polling locations (Sunset Elementary) yelling at me from his car window as I was setting up my table. And the same day, he spent the majority of the day walking the voter line at the Nolensville Recreation Center location with the other two candidates telling the voters that I had a pending DUI charge – which he knew and they knew was false. Unfortunately, I did not become aware of what he was saying to people until after the polls closed. Courtney Adams, who was helping me that day, heard what he had been saying around 6pm and told him to stop spreading false information. He became enraged with her and the others who were there representing me – screaming uncontrollably, shaking his fist in their faces, and backed down when he realized that the voters were watching this.

I have been told by one of his known associates that he is going to keep coming after me – even after the election results. I dealt with all this while being an elected official because I did not think I had any recourse. I am a private citizen again now and I want him stopped. I do not know all the history of what he has done in the past or what he is capable of, but I do know that grown men are afraid of this man and do not want to be targeted by him. I want protection for me and my daughters. I do not feel safe going to church, walking my dog, going to any public places in Nolensville, I do not feel safe in any location where he might be. I think he could/would harm me physically as that is the only thing left for him to do at this point – he has thoroughly damaged my reputation and made the town where I live unsafe for me as long as he is there.

As evidence that he is continuing to come after me, he and whoever he asks to do so on his behalf, have continued to reach out to Channel Four news to come and ambush me at the final meetings I need to attend with claims that are half truths. We all know the media is most interested in a salacious headline, not actual truth. I did take the time to interview with them to give all of the information and hopefully put a stop to this. Additionally, I am providing sworn statements to the Bureau of Ethics and Campaign Finance of the behavior so they can look into all of this as well.

I am asking this court to please protect me and my family from any additional threats from this man.

ANSWER TO REQUEST FOR AN ORDER OF PROTECTION BY DR. JOE
CURTSINGER
AND MOTION TO DISMISS PERSUANT TCA §20-17-105

Defendant, Dr. Joe Curtsinger, (hereinafter called "CURTSINGER") hereby answers the request for an Order of Protection lodged against him by Lisa Garramone, (hereinafter call "GARRAMONE") as follows:

1. CURTSINGER denies that he has made any threat necessitating an Order of Protection.
2. All the actions listed in the STATEMENT FOR ORDER OF PROTECTION involve communication protected by the 1st Amendment to the Constitution. Any communication by CURTSINGER to any third party was in the exercise of his free speech rights accorded citizens of this County, State and US Government. In particular, the 1st Amendment to the Constitution states,

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances." Free speech includes speaking about political issues and candidates for office.

3. Getting angry or incensed about political positions is a right. Contacting local media to report problems with a candidate is also within his right as a citizen. CURTSINGER collectively denies making any speech other than political speech.
4. All the action GARRAMONE complains of (Driving a car by her house with political signs) is legal campaigning behavior.
5. CURTSINGER admits to standing with other candidates telling voters of GARRAMONE's drinking and driving behavior and ticket fixing behavior. He did so as a citizen of the area she represents.
6. GARRAMONE complains that CURTSINGER "is going to keep coming after me" which she given evidence, in the next paragraph, of reaching out to Channel Four news, again behavior that is part of political campaigning.
7. Denies that he spread false rumors about GARRAMONE drinking and driving. A police body cam video, obtained through a Freedom of Information Request by a 3rd party and viewed by CURSINGER of the October 17, 2020 event, contains the following statements by the officer (at 23:33:40): "Commissioner or not, tell the chief next time her ass is drinking and driving I'm arresting her."
8. CURTSINGER submits the attached affidavit to support his Motion to Dismiss.
9. There is no statement in the application for a restraining order that shows potential or real harm necessitating an order of protections. GARRAMORE alleges stalking but gives no behaviors other than political participation behaviors that constitute stalking. No reasonable person should feel "terrorized, frightened, intimidated, threatened, harassed, or molested, and that actually causes the victim to feel terrorized, frightened, intimidated, threatened, harassed, or molested" (TCA 36-17-315) by political participation.

Having responded to the facts and charges, CURTSINGER now asserts the following: CURTSINGER ask that attorney fees in this matter be awarded him pursuant Tennessee Public Participation Act TCA §20-17-102ff which states,

The purpose of this chapter is to encourage and safeguard the constitutional rights of persons to petition, to speak freely, to associate freely, and to participate in government to the fullest extent permitted by law and, at the same time, protect the rights of persons to file meritorious lawsuits for demonstrable injury. This chapter is consistent with and necessary to implement the rights protected by the Constitution of Tennessee, Article I, §§ 19 and 23, as well as by the First Amendment to the United States

Constitution, and ***shall be construed broadly to effectuate its purposes and intent.*** As used in this chapter:

- (1) "Communication" means the making or submitting of a statement or document in any form or medium, including oral, written, audiovisual, or electronic;
- (2) "Exercise of the right of association" means exercise of the constitutional right to join together to take collective action on a matter of public concern that falls within the protection of the United States Constitution or the Tennessee Constitution;
- (3) "Exercise of the right of free speech" means a communication made in connection with a matter of public concern or religious expression that falls within the protection of the United States Constitution or the Tennessee Constitution;
- (4) "Exercise of the right to petition" means a communication that falls within the protection of the United States Constitution or the Tennessee Constitution and:
 - (A) Is intended to encourage consideration or review of an issue by a federal, state, or local legislative, executive, judicial, or other governmental body; or
 - (B) Is intended to enlist public participation in an effort to effect consideration of an issue by a federal, state, or local legislative, executive, judicial, or other governmental body;
- (5) "Legal action" means a claim, cause of action, petition, cross-claim, or counterclaim or ***any request for legal or equitable relief initiated against a private party;***
 - (a) ***If a legal action is filed in response to a party's exercise of the right of free speech, right to petition, or right of association, that party may petition the court to dismiss the legal action.***
 - (b) Such a petition may be filed within sixty (60) calendar days from the date of service of the legal action or, in the court's discretion, at any later time that the court deems proper.
 - (c) A response to the petition, including any opposing affidavits, may be served and filed by the opposing party no less than five (5) days before the hearing or, in the court's discretion, at any earlier time that the court deems proper.
 - (d) All discovery in the legal action is stayed upon the filing of a petition under this section. The stay of discovery remains in effect until the entry of an order ruling on the petition. The court may allow specified and limited discovery relevant to the petition upon a showing of good cause.

TCA 20-17-105

- (a) The petitioning party has the burden of making a prima facie case that a legal action against the petitioning party is based on, relates to, or is in response to that party's exercise of the right to free speech, right to petition, or right of association.
- (b) If the petitioning party meets this burden, the court shall dismiss the legal action unless the responding party establishes a prima facie case for each essential element of the claim in the legal action.
- (c) Notwithstanding subsection (b), the court shall dismiss the legal action if the petitioning party establishes a valid defense to the claims in the legal action.
- (d) The court may base its decision on supporting and opposing sworn affidavits stating admissible evidence upon which the liability or defense is based and on other admissible evidence presented by the parties.
- (e) If the court dismisses a legal action pursuant to a petition filed under this chapter, the legal action or the challenged claim is dismissed with prejudice.
- (f) If the court determines the responding party established a likelihood of prevailing on a claim:
 - (1) The fact that the court made that determination and the substance of the determination may not be admitted into evidence later in the case; and
 - (2) The determination does not affect the burden or standard of proof in the proceeding.

20-17-107

If the court dismisses a legal action pursuant to a petition filed under this chapter, the court ***shall award*** to the petitioning party:

- (1) ***Court costs, reasonable attorney's fees, discretionary costs, and other expenses incurred in filing and prevailing upon the petition;*** and
- (2) Any additional relief, including sanctions, that the court determines necessary to deter repetition of the conduct by the party who brought the legal action or by others similarly situated.

THEREFORE, CURTSINGER, by and through counsel moves this Court to dismiss this action pursuant to TCA §17-20-105.

THE MOTION PORTION TO DISMISS THIS SUIT AS TO CURTSINGER IS EXPECTED TO BE HEARD ON DECEMBER 8, 2022 at 8:30AM at the WILLIAMSON COUNTY GENERAL COURT IN FRANKLIN.

Respectfully Submitted,

OATH AND AFFIDAVIT

COUNTY OF WILLIAMSON)

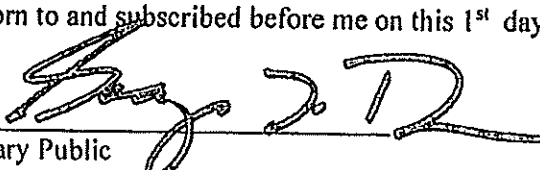

Before me, the undersigned authority, personally appeared Joe Curtsinger, who, being duly sworn deposed as follows:

My name is Joe Curtsinger, I am of sound mind, capable of making this affidavit, and personally acquainted with the facts herein stated:

1. I have never stalked, harassed, threatened, terrorized or intimidated Ms. Garramone.
2. I have spoken to others about the election for Commissioner and have spoken against the re-election of Ms. Garramone.
3. I have had no connection, communication or contact with Ms. Garramone since the election on November 8th, 2022.
4. I have shown the excerpts of the video obtained by a Freedom of Information Request "FOIR" from October 17, 2020 and December 11, 2020 of her being in a state of alcohol use and, as reasonably understood from the police description, her driving and drinking, as well as having been speeding going 50 in a 35 mph zone. I did so as part of participating in the election process and making citizens aware of the questionable behavior of Ms. Garramone.
5. I believe that such all conversations and actions on my part were of a political participation nature and had to do with the fitness of Ms. Garramone to serve as a Commissioner for the City of Nolensville.
6. Joe Curtsinger, swear and make oath that I am the Plaintiff in the foregoing Petition for Dismissal and for Attorney fees and that the statements contained therein are true and correct to the best of my knowledge, information and belief and are not made out of levity or by collusion with the Defendant, but out of sincerity and truth and for the causes alleged in the Complaint.
